Education Analyst List 5021 Made Public

The Department of Citywide Administrative Services made public a 150-name list for Education Analyst on June 13, 2016. The list is based on Exam 5021, which was held May 29-30, 2015. Readers should note that eligible lists change over their four-year life as candidates are added, removed, reinstated, or rescored. The list shown below is accurate as of the date of establishment but list standings can change as a result of appeals. Some scores are prefixed by the letter v, which designates a credit given to an honorably discharged veteran who has served during time of war.
