NEW OSA OPTIONAL BENEFIT!

Dear Brothers and Sisters,

The OSA Welfare Fund's new optional benefit, Life Station Medical Alert System, is now available to all OSA active members and retirees.

Members have a choice of options for as low as \$18.95 mo. The most popular selection is the Mobile LTE w/GPS at \$27.95 mo., but it's up to you.

These rates are less than half the price of competitors and OSA is pleased to have secured this discount for you and your family.

Fraternally,
Robert J. Croghan,
Trustee

HERE'S WHAT YOU GET

24/7 Dedicated Customer Service

Get help with your medical alert system 24 hours a day, 7 days a week, 365 days a year. Our compassionate customer care specialists are ready to assist you.

Fastest Response Time

You get the fastest response time in the medical alert industry 24/7 from our UL-listed, CSAA Five Diamond senior alert monitoring center.

Uber Transportation

Get Mom to her appointments. LifeStation works with Uber Health to get your loved one to key appointments on time, hassle free. Our care specialists book rides in both directions for you whenever needed. We'll even wait on the line to ensure everything goes as planned.

Trusted by the Best in the Industry

LifeStation partners with some of the most important institutions that service seniors, including Aetna, American Legion, VFW, Kaiser Permanente, and more.

Family owned /40 yrs experience

With over 40 years of innovation and senior medical alert monitoring experience, the LifeStation family is ready to watch over yours. We are here for you.

100% US-based Monitoring

With senior-medical alarm monitoring centers in New Jersey and Texas, our certified specialists are always on call for any medical alert emergency.

30 Day Money-Back Guarantee

Try our fall monitoring system for 30 days. If you're not satisfied, send back your system and we'll issue a full refund.

WHERE'S MOM? JUST ASK ALEXA.

Monitor Loved Ones with Our Alexa Integration.

Track your loved one's location in real-time to find mom at all times. Access critical account information 24/7 at home with your Amazon Echo, or on your smartphone using the Alexa app.

This medical alert innovation provides a new and exciting pathway to monitor elderly loved ones remotely, increasing your peace of mind and confidence in safety.

FIND MY LOVED ONE

Instantly locate your loved one with a text message.

Find My Loved One lets you locate a loved one at any time with only a text message. With the ability to easily check in at any time, this medical alert feature provides unmatched additional peace of mind.

Let's say your mom is out for a walk but hasn't told you where she's going. Now you can check on her with a simple text message. As long as she is wearing her mobile medical alert button, you can see her location and put yourself at ease.
