

PARTICIPATION IN QUALITY OF WORK LIFE COMMITTEES

If you would like to become more active, one way to do so is by becoming the Organization of Staff Analysts' representative on a Quality of Work Life Committee within your agency. You will be representing your fellow workers and your union.

Each agency has one or more Quality of Work Life Committees, including:

- HEALTH AND WELLNESS
- EMPLOYEE RECOGNITION
- ALTERNATE WORK SCHEDULE
- CAREER & PERSONAL DEVELOPMENT

The committees usually meet once a month. In addition to attending the meetings, you will be responsible for being in contact with the union before the meetings and reporting back afterwards. OSA will arrange with your agency for your release from work to attend the meetings.

If you are interested in being on a Quality of Work Life committee for your agency, please fill out this coupon and return it to the union by mail or fax. The union will contact you as soon as possible. Thank you for your participation.
