Neal Tepel, OSA's Legislative Director, recently introduced OSA's leadership to City Councilmember Allan Jennings, Jr., chairperson of the Council's Civil Service and Labor Committee to discuss matters of mutual interest. They discussed civil service procedures for appointments – the "1 in 3" rule – and the City's use of contracting for services to bypass civil service procedures. It is expected that a representative of OSA will be appointed as an advisor to the Council's Civil Service and Labor Committee.

Join us for a special meeting and reception for Councilmember Jennings at OSA. All members and their friends are invited to attend. This meeting will be hosted by OSA's Political Action Committee.

Please RSVP by phone to Rose Collins at (212) 686-1229.
