Since 2018, the Organization of Staff Analysts has made available free digital subscriptions to *The Chief* to interested active members and retirees. If you are in a title OSA represents (or we are in the process of organizing) and have signed a union authorization card, you are eligible, as are retirees.

The Chief appears weekly in print and online at *www.thechiefleader.com*. It is a key resource for public sector workers. For more than 100 years, the newspaper was published by one family. They have now turned over the reigns to a new publisher. With new leadership has come a number of changes – a revamped design and a promise of expanded coverage of labor issues, but also the elimination of the *E-Chief* as a stand-alone subscription option. You will now have full access to the online edition of *The Chief* and will receive notice of each new edition by email on Wednesday nights.

If you wish to continue (or start) to receive *The Chief*, you must subscribe by completing this form. Fill it in, download it, and submit it as an email attachment to <u>osachiefoffer@osaunion.org</u>.

Note: If you are an Associate or Asst Director of Nursing; Admin Staff Analyst L 4; Director, Systems & Programming L 1-3 (H+H); Director of Health Care Program Planning/Analysis (HMH) or work for the NYC Public Advocate, you are eligible for this offer.
