

YOU'VE GOT MAIL!

We hope your e-mail inbox is not as full as the picture at the left and we don't want to add very much to the volume of e-mail you are currently receiving.

However, if you are interested, we do want to start communicating with you in certain circumstances by e-mail. And, while we have e-mail addresses for some of you - we don't have them for most of you.

What do we have in mind? We'd like to send you union news alerts and updates on occasion by e-mail and, in the case of extremely urgent news (a last minute change of a chapter meeting location or date, for example) that only affects some members, targeted information as well.

You may opt-out at any time by letting us know you no longer wish to receive union communications by e-mail.

We are asking you to complete the coupon below and provide us with a personal e-mail address of your choice. Please do not provide your work e-mail address. We believe it is best to confine our communication with you to your own communication tools rather than your employer's.

I'D LIKE TO RECEIVE UNION UPDATES & ALERTS BY E-MAIL - SIGN ME UP!
