

invites you to attend

a special meeting with

Hon. Robert Jackson

Chairperson, New York City Council Contracts Committee

Thursday • December 4, 2003 • 6:00pm
220 East 23rd Street • Suite 709
(Between 2nd and 3rd Avenues)

City agencies have turned in recent years to outsourcing and contracting out work that could be/should be done by civil servants. Reorganizations in the Department of Education, School Construction Authority, Department of Design and Construction, and other agencies have brought about the privatization of essential services. Contracting out undermines the civil service system, adds costs, prevents effective oversight, and opens

City government to increased risks of corruption and political – rather than professional – decision making. City Council Contracts Committee Chairperson Robert Jackson has a unique vantage point from which to view and address these issues. So, bring your concerns and questions and join us for a meeting with Councilmember Jackson at OSA. All members and their friends are invited to attend.

Please RSVP by phone to Rose Collins at (212) 686-1229.

If you would like to contribute to OSA's Political Action Committee, you may download a PAC description and payroll deduction form from the union's website – www.osaunion.org. Go to Member Services, then Political Action Committee. Or call the union office and ask that the PAC information be mailed to you.
