

ONE BIG COUPON

In years past, OSA put individual coupons into our “summer” mailing so you could sign up for seminars and classes. Due to the pandemic, we did not hold any seminars in 2020.

This year, we are offering three seminars, *which we will hold online via Zoom in late October and early November.*

The first is a basic overview of the Tier 4 and 6 pension plans. The second is a seminar providing information you need to know as you consider retirement and separation from City service.

The third seminar will provide a review of Civil Service

rules, regulations and procedures, timed to coincide with the release of several new exam lists in our title series.

All three seminars will be held online via Zoom. **In order for us to provide you with a link to register for and attend the Zoom session, we will need your personal email address.**

All of the sessions will begin at 6pm and last about two hours. The two sessions on Pensions and the two sessions on Pre-retirement will repeat the same content, so select one or the other seminar date.

Once you have decided which seminar(s) you would like to take, simply check off your preferred date(s) below and complete the information requested. Then, email or fax the coupon back to the union.
