Dear Brothers and Sisters,

The Organization of Staff Analysts leadership is supporting Yetta Kurland for the 3rd City Council district, and we are encouraging you, your friends and family to register and vote for her in the primary this **September 10th**.

Ms. Kurland is a civil rights lawyer and community activist in Chelsea. Originally from Buffalo, she worked at a Midtown law firm before leaving to start her own practice in 2002, with a focus on LGBTQ rights. She was a leading figure in the fight to re-establish a hospital in place of St. Vincent's, and has opposed the extension of term limits under the Bloomberg administration. She is also the host of the progressive AM talk-radio show *Yetta Kurland Live!* on WWRL 1600.

Yetta Kurland thinks that city agencies are currently underfunded due to "misguided austerity policies," and believes in restoring funding for public works, transit, and the arts. She also has a great deal of support from labor, and won numerous endorsements; including District Council 37, CWA 1180, the Council of School Supervisors and Superintendents Local 1, and TWU Local 100.

We firmly believe that New York City would benefit from her leadership and that she would be a strong advocate for her neighborhood, and for working people throughout the city.

Sincerely,

Tom Anderson
Vice-Chairperson
